

BLUETOOTH NOISE-CANCELLING HEADSET WITH ACTIVE NOISE REDUCTION SYSTEM

1. Helmet mount

Reference: HBG 452

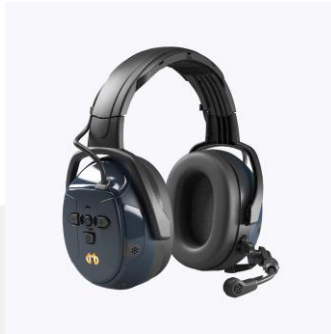

This new Bluetooth hearing protection combined with the VOKKERO GUARDIAN offers freedom of movement and clear communication in complete safety, without the need for a wired connection.

The active listening function makes this hearing protection ideal for keeping in touch with your environment while being protected from harmful noise.

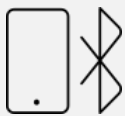

2. Headband

Reference: HBG 450

Available in headband or helmet mount versions, to fit most helmets on the market.
